ICSA 2025  
CONFERENCE

FLORENCE  
9-11 January

**International Conference  
on Sustainability Analysis**

**MEASURING CHANGE  
FOR A RESILIENT  
FUTURE**

**CISL study center  
in Florence**

The Conference Venue: **Piazzuola, 71, 50133 Florence (FI).**  
The Conference Secretariat: **info@icsa-dias.org**  
**<https://www.icsa-dias.org/>**

## THURSDAY - January, 9 2025

9.30-10.30	CONFERENCE REGISTRATION	
10.30-11.00	INSTITUTIONAL GREETINGS	
11.00-12.00	PLENARY SESSION	Aula Magna
12.00-13.00	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2
13.00-14.30	LUNCH	
14.30-15.30	PLENARY SESSIONS	Aula Magna
15.30-16.30	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2
16.30-17.00	COFFEE BREAK	
17.00-18.00	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2
18.00-19.00	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2

## FRIDAY - January, 10 2025

10.00-11.00	PLENARY SESSION	Aula Magna
11.00-12.00	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2
12.00-13.00	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2
13.00-14.30	LUNCH	
14.30-15.30	PLENARY SESSIONS	Aula Magna
15.30-16.30	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2, Aula 3
16.30-17.00	COFFEE BREAK	
17.00-18.00	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2
18.00-19.00	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2

## SATURDAY - January, 11 2025

10.00-11.00	PLENARY SESSION	Aula Magna
11.00-12.00	PARALLEL SESSIONS	Aula Magna, Aula 1, Aula 2
12.00-13.00	POSTER SESSION	Aula Magna
13.00-14.00	CLOSING	Aula Magna
14.00-14.30	FAREWELL APERITIF	

# THURSDAY – January, 9 2025

9.30-10.30

CONFERENCE REGISTRATION – WELCOME COFFEE

10.30-11.00

INSTITUTIONAL GREETINGS

AULA MAGNA

11.00-12.00

PLENARY SESSION

AULA MAGNA

Keynote speech **Prof. Filomena Maggino**

12.00-13.00

SOL 1

AULA MAGNA

## Sustainable Urban Development, Tourism, and Transport: Challenges and Innovations in a Changing Europe"

**CHAIR: Tiziano Pavanini**

**1. Towards sustainable tourism: an index to measure overtourism in Cinque Terre, Italy**

Burlando C., Pavanini T., Traversa S.

**2. Shaping the Future of Smart Sustainable Cities: Innovations, Challenges, and Global Analysis**

Ciacci A., Filì T., Ivaldi E., Pavanini T. and Musso E.

**3. Assessing the decarbonization of EU Maritime Transport: Impacts of European Regulatory Measures and Key Indicators**

Persico L., Vottero B., Satta S.

12.00-13.00

CON 1

AULA 1

## Digitalization and Innovation

**CHAIR: Anna Simonetto**

**1. Digitalization and the agri-food sector: which conditions ensure firms' innovative intentions?**

Chaparro-Banegas N., Roig-Tierno N., Calafat C., Sánchez-García M.;

**2. Futures Studies and sustainable development: a long-term methodological challenge**

Facioni C.

**3. Enhancing spatial surveys by modelling generative pre-trained transformers for sustainable cities (ONLINE)**

Calleo Y., Di Zio S.

# THURSDAY – January, 9 2025

12.00-13.00

CONT 2

AULA 2

## Tourism and Sustainable Practices

**CHAIR: Rosanna Cataldo**

**1. Mapping Scientific Knowledge and Trends in Sustainable Tourism**

Cataldo R., Crocetta C., Grassia M. G., Marino M., Mazza R., Stavolo A.

**2. Green Tourism Destination Competitiveness in Italy before and after COVID-19 Pandemic**

Urso F., Aronica M., Costantino S., Piacentino D., Cracolici M.F.

**3. Classification and Analysis of Foreign Tourists Using Time Series from Mobile Phone Networks (ONLINE)**

Rossetti R., Carpita M., Sagaert Y.

13.00-14.30

LUNCH BREAK

14.30-15.30

PLENARY

AULA MAGNA

"Evo Digitale"

"Influenzare le probabilità di scelta: statistica, libero arbitrio e AI nell'era delle decisioni"

15.30-16.30

SOL 2

AULA MAGNA

## Sustainability and Strategic Communication in Retail: From Customer Loyalty to Competitive Advantage

**CHAIR: Andrea Ciacci**

**1. From crisis to confidence: how strategic communication highlights the environmental and social benefits provided by Avs**

Testa G., Ciacci A., Penco L., Ivaldi E.

**2. Integrating Sustainability into Loyalty Programs: Insights from the Italian Grocery Retail Sector**

Ciacci A., Acconciamezza E., Branca G., Castaldo S.

**3. Social Sustainability and Customer Orientation: The Competitive Strategy for Small Independent Retailers (ONLINE)**

Penco L., Mantovani A., Castaldo S.

# THURSDAY – January, 9 2025

15.30-16.30

SOL 3

AULA 1

## Young people in the labour market: Towards decent and sustainable jobs

**CHAIR: Antonella Rocca**

**1. Rural young people and school to work transition: Trends and perspectives (ONLINE)**

Simões F.

**2. Italian young NEETs and their expectations for the future: a text mining analysis**

De Luca G., Ellena A.M., Marta E., Mazzocchi P., Rocca A., Simões F.

**3. Some prediction models for the Italian NEET rates: a comparison between SARIMAX models and machine learning algorithms**

De Luca G., Rocca A., Mazzocchi P., Quintano C.

15.30-16.30

CON 3

AULA 2

## Consumption and Sustainable Behavior

**CHAIR: Marco Fattore**

**1. How to inspire Italy's next generation of Eco-Consumers: An online survey experiment**

Lombardi G., Muscillo A., Sestini E., Castellaccio E., Garbin F., Pin P.

**2. Feasibility of green hydrogen production from onshore wind farm in Italy (ONLINE)**

Khan F., Rapposelli A.

**3. Horizontal subsidiarity is not social capital: Theoretical reflections and a proposal of measurement**

Angeloni S., Fattore M., Mazziotta M., Vittadini G.

16.30-17.00

COFFE BREAK

17.00-18.00

SOL 4

AULA MAGNA

## Evaluating inequalities for sustainable development

**CHAIR: Ida Camminatiello**

**1. Sustainable Development and Socio-Economic Inequalities: Insights from Italy's Regional Data**

Musella M., Camminatiello I., Lombardo R.

**2. Disentangling Skill Mismatch Inequalities: A Comparative Analysis of European Union Member States**

Botezat A., Izzo F.

**3. Functional Regression on LDQ Functions: Evaluating SDGs Impact on European Quality of Life**

Borrata G., Verde R., Balzanella A.

# THURSDAY – January, 9 2025

17.00-18.00

SOL 5

AULA 1

## Vulnerability and Sustainability in Social Sciences

**CO-CHAIR: Gloria Polinesi and Annalina Sarra**

**1. Mapping the Development of Sustainable Tourism Indicators: a Bibliometric Review**

Centoramea D., Sarrab A., Nissia E.

**2. On the use of a Pre-Analysis Plan: an Application to an Observational Study in Social Sciences (ONLINE)**

Mariani F., Fiorillo F., Ermini B., Mattiozzi S., Salvati L.

**3. Inner areas in Lombardy: An analysis of vulnerability dynamics**

Bianchi A., Gigliarano C., Maiorino S.

**4. Well-being: a BETA-distribution-based approach**

Polinesi G., Recchioni M.C., Mariani F., Ciommi M.

17.00-18.00

CON 4

AULA 2

## Awareness and Sustainability Indicators

**CHAIR: Andrea Marletta**

**1. The awareness of sustainability for the Italian population: evolution and dynamics using a survey**

Angelone R., Mariani P., Marletta A., Zenga M.

**2. On the use of aggregative and non-aggregative approaches for composite indicators of financial sustainability in local governments**

Ievoli R., Santelli F., Palazzo L.

**3. Transition towards a greener future in G-7 countries: Assessing the role of artificial intelligence, municipal waste, green technological innovation, renewable energy transition, and environmental governance**

Javed A., Rapposelli A.

# THURSDAY – January, 9 2025

18.00-19.00

SOL 6

AULA MAGNA

## Sustainable Development and Innovation in Argentina and Spain: Indicators, Finance, and Agriculture

**CHAIR: Emilio Picasso**

**1. The Sustainable Development Indicator System of Argentina: A Tool for Environmental Monitoring and Policy Support (ONLINE)**

Primosich J.J.

**2. An overview of the progress of sustainable finance in Argentina (ONLINE)**

Gonzales M.

**3. Towards sustainable agriculture: a staged innovation model**

Gogni V., Fusco M., Picasso E.

**4. Spatial differences in the effects of the information society on the progress of sustainable socioeconomic development goals in European regions (ONLINE)**

Lucendo-Monedero A.L., López-Otero J., Ruiz-Rodríguez F.

18.00-19.00

CON 5

AULA 1

## Socioeconomic Disparities and Climate Change

**CHAIR: Maria Elena Bottazzi Schenone**

**1. Experiment on the question order effect conducted in Italy, Russia, and with synthetic data generated by AI.**

Tommaselli A., Bartoli B.

**2. Uncovering Socioeconomic Disparities in European Regions: A Tucker 3 Clustering Approach**

Bottazzi Schenone M., Tomaselli V., Vichi M.

# FRIDAY – January, 10 2025

10.00-11.00

PLENARY SESSION

AULA MAGNA

**The Application of the Nomogramma di Gandy Methodology in Healthcare and related settings**  
Prof Rob Gandy (Liverpool Business School, Liverpool John Moores University, UK)

11.00-12.00

SOL 7

AULA MAGNA

**Sustainability, equity, and social well-being: A comparative and multidisciplinary perspective**

**CHAIR: Alfonso Piscitelli**

- 1. Investigating the perceptions of sustainability among young people (ONLINE)**  
Calculi C., D'Uggento A.M., Pollice A., Ribecco N.
- 2. A model for reducing skill mismatch inequalities within the European Union**  
Camminatiello I., Botezat A.
- 3. Sustainability and participant satisfaction in sport events**  
Rivettia F., Lucadamo A., Rossia C., Splendianic S.

11.00-12.00

CON 6

AULA 1

**Air Quality, Energy, and Predictive Models**

**CHAIR: Pietro Renzi**

- 1. Traffic Restrictions and Air Quality: A Machine Learning Evaluation of Milan's Area C**  
Adam R., Biancalani F., Metulini R.
- 2. Improving sustainable energy policies. Challenges and Opportunities of the Space-Based Solar Power**  
Bianco A.
- 3. On evaluating the predictive performance of time series copula models for traffic flows**  
Guerini S.S., Metulini R.

11.00-12.00

CON 7

AULA 2

**Economic and Cultural Sustainability**

**CHAIR: Luca Salvati**

- 1. Museum Quality as a Measure of Economic and Social Sustainability: Evidence from the Italian Museum System**  
Galluccio C., Giambona F.
- 2. Bridging Cultural Heritage and Sustainability: Implications for Collectible Design**  
Codignola F.
- 3. A Comprehensive Analysis of the Italian School System Using Harmonised Open Data via the SchoolDataIT R Package**  
Cefalo L., Maranzano P.

# FRIDAY – January, 10 2025

12.00-13.00

SOL 8

AULA MAGNA

## Circular Economy, Industry Resilience, and Structural Change: European and Italian Perspectives on Sustainability

**CHAIR: Mattia Tassinari**

**1. A methodological proposal for developing a Municipality Indicator of Circular Economy (MICE)**

Ghinoi S., Silvestri F., Spigarelli F., Tassinari M.

**2. Economic Complexity and Industry Resilience: A study of European regions after the 2008 crisis**

Barbieri E., Vieri C., Di Tommaso M.R., Prodi E.

**3. Structural change and sustainability: insights on the Italian case**

Ardizzone A., Ciacci A., Ivaldi, E. Tassinari M.

12.00-13.00

CON 8

AULA 1

## Water Resources, Food Waste and Land-use

**CHAIR: Mariangela Zenga**

**1. Do Digitization and Human Capital Strengthen Regional Resilience? A Dynamic Panel Approach with SGMM and Bayesian Time-Weig**

Pacifico A.

**2. Land-use and Zipf: a novel contribution to Sustainability Indicators**

Salvati L.

**3. From the New Perspective at Post Consumption Level: Fighting with Food Waste with a Digital Tool (ONLINE)**

Yu M., Principato L., Cicatiello C., Comis C., Secondi L.

12.00-13.00

CON 9

AULA 2

## Mobility, Food and Sustainable Tourism

**CHAIR: Venera Tomaselli**

**1. Indicators of internal population mobility in micro territorial areas for innovative analysis of citizen participation**

Tomaselli V., Cantone G.G., Sampugnaro R.

**2. Quantifying Sustainable Tourism Attitudes: A Novel Composite Indicator for European Union Citizens**

Bassi F., Scioni M.

**3. Food poverty, health and innovation: the impact of new food frontiers on the social context**

Antonicegli M., Gattulli A.

13.00-14.30

LUNCH BREAK

# FRIDAY – January, 10 2025

14.30-15.30

PLENARY SESSION

AULA MAGNA

**Project PE 9 GRINS**

**Empowering Sustainability Through Data: the GRINS project**

Matteo Cervellati PI Grins project –University of Bologna

**Managing Conflicts in Sustainability: New Models of Data Production and Decision Making**

Stefano Menghinello - ISTAT

**Data-Quality and Data Integration: The AMELIA Platform for measuring Sustainable Development**

Giampiero Rosa - ExpriviaS.p.A

15.30-16.30

SOL 9

AULA MAGNA

## Health Literacy and Regional Healthcare Dynamics: Socioeconomic Determinants and Mobility Challenges

**CHAIR: Alberto Franci**

**1. Health literacy among university students and their families in the Republic of San Marino. Association with socioeconomic and health status determinants.**

Renzi P., Franci A.

**2. Rethinking Inter-Regional Patients' Mobility: Cooperation or Competition?**

Guarducci G., Spadea L., Nante N.

**3. Medical Device Regulations: Shaping Health Outcomes and Public Wellbeing**

Camillini R., Melini A., Muccioli C.

**4. Models and Approaches for Continuous Quality Improvement: a San Marino's experience**

Melini A., Camillini R., Muccioli C.

15.30-16.30

CON 10

AULA 1

## Sustainable Development Goals (SDGs) Analysis

**CHAIR: Carolina Facioni**

**1. A novel three-way approach to the analysis of the Sustainable Development Goals in the EU countries (ONLINE)**

Bocci L., Vicari D.

**2. Land use and sustainability in Southern Italy: A local analysis of socio-economic and institutional drivers (ONLINE)**

Bruno E., Castellano R., Punzo G.

**3. Smart Cities in Italy: Measuring Smartness for Sustainable Urban Development of Italian Municipalities**

De Falco A., Fabbriatore R.

# FRIDAY – January, 10 2025

15.30-16.30

CON 11

AULA 2

## Health Mobility, tourism sustainability and Quality of life

**CHAIR: Angela Maria D'Ugento**

- 1. The socio-demographic impact of medically assisted riprocreation: a territorial analysis of migratory flows.**  
Tomaselli V., Antonicelli M.
- 2. Tourism Sustainability Among Crime and Quality of Life**  
Mariani P., Zenga M.
- 3. Analysis of health determinants through a composite index of Italian provinces" (ONLINE)**  
Carbonara M., Tebala D.
- 4. Climate change and health well-being: analysis of the phenomenon through a forecasting approach**  
Antonicelli M.

15.30-16.30

SOL 10

AULA 3

## Innovative Statistical Approaches: From Sustainable Territories to Educational Progress Modeling

**CHAIR: Corrado Crocetta**

- 1. Statistical indicators for the identification of sustainable territories and environmental tourism**  
Perchinunno P., Massari A., L'Abbate S., Crocetta C., Antonucci L.
- 2. Growth models for the progress test in Italian dentistry degree programs**  
Antonucci L., Biscardi G., Crocetta C., Grilli L., Rampichini C.

16.30-17.00

COFFE BREAK

17.00-18.00

SOL 11

AULA MAGNA

## Multidimensional Poverty, Equity, and Sustainability: addressing Food and Transport Inequalities

**CHAIR: Luca Secondi**

- 1. Addressing Food Poverty in Italy: an application considering price-level differences**  
Benedetti I., Laureti T., Secondi L.
- 2. Towards Sustainable Dietary Patterns: Addressing Food Poverty and Insecurity in Italy**  
Benedetti I., Secondi L., Marchetti S., Principato L.
- 3. Transport poverty in Italy: exploring affordability through Household Budget Survey**  
Morosini F.M., Laureti T., Marchetti S., Secondi L.
- 4. Application of structural equation modelling to public transport accessibility in Italian cities**  
Gregori F., Secondi L., Laureti T., Morosini F.M.

# FRIDAY – January, 10 2025

17.00-18.00

SOL 12

AULA 1

## Innovative Education and Learning Strategies for Advancing Bioeconomy and Resilience

**CHAIR: N. Drejerska**

- 1. Creative Learning for Advancing Bioeconomy within HEIs' Curricula: Integrating Science and Education**  
Drejerska N.
- 2. Enhancing Financial Analysis Education with Creative Learning Tools**  
Franc-Dąbrowska J.
- 3. Innovating Education Through the Lens of Nature-Based Solutions and Resilience**  
Sikorska D.
- 4. Empowering HEIs: Innovative Approaches to Teaching Entrepreneurship for the Bioeconomy**  
Zbieć M.

17.00-18.00

CON 12

AULA 2

## Well-Being and Educational Inequalities

**CHAIR: Manuela Scioni**

- 1. Unveiling the Links Between Economic Perceptions and Psychological Well-Being in University Students**  
D'Attoma I., Cid C., Tassinari G.
- 2. Educational Inequalities and School Context: A Causal Analysis of the Effects of School Socioeconomic Status on INVALSI Mathematics test**  
Sannino P., Fabbriatore R., Davino C.
- 3. Combining random forest and ARIMA for time series forecast (ONLINE)**  
Zammarchi G.

18.00-19.00

SOL 13

AULA MAGNA

## Wellbeing, Economic Performance, and Climate Finance: Pathways to Sustainability

**CHAIR: D. Aversa**

- 1. Measuring Quality of Life as a Pathway to Wellbeing and Sustainability"**  
Paužuolienė R., Župerkienė E., Fiore M., Šimanskiene L.
- 2. The determinants of the economic-financial performance of Sicilian agricultural businesses: evidence from a PLS-SEM analysis**  
Leto G., Spada A., Fiore M., Musolino D.
- 3. Climate finance, Dual Interest Rate and Climate Change: a Literature Review through Machine Learning Approach**  
Aversa D., Intrisano C., Fiore M., Baglieri E.

# FRIDAY – January, 10 2025

18.00-19.00

CON 13

AULA 1

## Exploring Socio-Environmental Dynamics: Gender, Governance, Education, and Sustainability

**CHAIR: R. Fabbriatore**

**1. Women Directors and Environmental Responsibility: The Influence of Gender Diversity and Policy Stringency on Corporate Environmental Performance (ONLINE)**

Benedan L., Bonacorsi L., Cerasi V., Galfrascoli P., Pagani L.

**2. Corruption, Quality of Life, Well-Being and Sustainable Development (ONLINE)**

Sbicca F.

**3. Understanding Educational Poverty: A Literature Review of Dimensions, Indicators, and Outcomes**

Davino C., Romano R., Gherghi M., Fabbriatore R., Iacono M.

# SATURDAY – January, 11 2025

10.00-11.00

PLENARY SESSION

AULA MAGNA

**Sustainability's indicators: open issues in composite constructs**

Prof Leonardo S. Alaimo

11.00-12.00

SOL 14

AULA 1

**Systems of sustainable tourism indicators: a challenge and a support for sustainability future policies**

**CHAIR: Venera Tomaselli**

**1. The Role of Tourism Investments in Enhancing Territorial Attractiveness: Evidence from Italian Municipalities**

Arena, Bergantino, Buongiorno, Cito, Intini, Scotti

**2. Multi-directional benefit of the doubt: A promising method to construct composite indicators for tourism sustainability**

Giambona F., Magrini A., Fusco E.

**3. Tourism Dynamics in Italy in Light of Climate Change: Forecasting Scenarios Up to 2100**

Duong N., Pons E., Guizzardi A.

**4. Measuring Tourism Pressure on Italian Destinations: a Vulnerability Analysis at Provincial Level**

Bergantino A.S., Buongiorno A., Intini M.

11.00-12.00

SOL 15

AULA 2

**The Role of Statistics in Sustainability and Resilience: Social, Environmental, and Urban Perspectives**

**CHAIR: Paola Perchinunno**

**1. Multidimensional Statistical Analysis of social sustainability and social welfare**

Perchinunno P., Massari A., L'Abbate S., Crocetta C., Mongelli L.

**2. Water sustainability: the value of official statistics**

Tersigni S., Mongelli L., Ramberti S.

**3. Statistical Methods to evaluate Public Administration Resilience in Urban Development**

Perchinunno P., Rotondo F.

# SATURDAY - January, 11 2025

11.00-12.00

SOL 16

AULA 3

## Statistical and Predictive Modeling for Social Science

**CHAIR: Andrea Nigri**

- 1. Towards new insights for performance evaluation in public administration: P-AHP and PROMETHEE a comparative analysis (ONLINE)** Fattoruso G.
- 2. Multinomial Finite Mixture Models for predicting university drop-out**  
Forti M.
- 3. Data-driven insights: modeling student satisfaction to prevent drop-out**  
Cafarelli B., D'Ugento A.M.
- 4. From Tweets to Insights: Mining Social Media for Environmental Disaster Damage Assessment**  
Del Gobbo E., Cafarelli B., Ippoliti L., Fontanella L.

12.00-13.00

POSTER

AULA MAGNA

**CHAIR: Leonardo S. Alaimo**

13.00-14.00

CLOSING

AULA MAGNA
